

Safeguarding

What is Safeguarding?

Keeping you safe and healthy inside and outside of the Academy.

Making sure you feel safe and that you are protected from harm from both adults and other young people.

Educating you to identify risks to your safety, to know how to keep yourself safe and how to get help.

Why is safeguarding important?

From time to time, young people can suffer abuse from adults and also other young people. Abuse can be physically, sexually or emotionally harmful or neglectful.

Abuse can happen at home, in the home of friends and family, on social media, through gaming platforms, within the community and even at school. **Our duty is to make sure everyone at Toll Bar Sixth Form is protected from abuse and harm.**
