

T-LEVELS

ABOUT T LEVELS

T Levels are a 2-year qualification that you can do as an alternative to A levels, other post-16 courses or an apprenticeship.

They bring classroom learning and an extended industry placement together on a course designed with businesses and employers.

A NEW CHOICE

T Levels are ideal if you have finished your GCSEs and want the knowledge and experience to get straight into employment, an apprenticeship or higher education.

You'll spend 80% of your time in the classroom and 20% on a 45-day placement with an employer to give you the skills and knowledge companies look for.

EQUIVALENT TO 3 A LEVELS

One T Level takes 2 years of full-time study and is equivalent in size to 3 A levels.

The first T Levels have started at selected schools and colleges in England, with more coming in the following years.
