Useful Information

- The Medical Room is located in Block 1 on the 1st floor (Block 1 has two floors and Medical Room is on the first floor). Only go to the Medical Room if you have been asked to go, or you have prior medical arrangements. If you have a medical emergency speak to the nearest member of staff. If you feel unwell during the lesson, inform your teacher.

The Student Office is also located on the first floor of Block 1. This is where you go if you need to go to the toilet during a lesson, where you would go to contact home in an emergency and where you also go to sign out of the Academy if you have an appointment and need to leave during the day.

- You can enter and exit the Academy by either:
 - The **Main entrance** (See map)
 - Gate **A** (See map)
 - Gate **B** (See Map)
- On your first day you will be greeted by staff at the main entrance. Upon your arrival you will be directed to the Drama Hall where you will meet the Principal and be organised into your form groups by the Heads of House.
- If you get lost ask a member of staff, Prefect or another student to point you in the right direction. There are always staff on duty and ready to help.
